ChemWorld BOOST

General Purpose Cleaner

ChemWorld BOOST is an economical blend of biodegradable detergents, tarnish and corrosion inhibitors, and water conditioners designed primarily for hard surface cleaning operations, ranging from floors to walls, equipment, and machinery. ChemWorld BOOST may be applied manually, non-recirculating high pressure spray, foam generation, floor scrubber, or by agitated immersion. ChemWorld BOOST is a highly concentrated liquid which is effective in the hardest of waters. ChemWorld BOOST's concentrated detergency emulsifies, saponifies, and effectively disperses even the most difficult of oils and soils, and is easily rinsed away. ChemWorld BOOST will not adulterate food in federally inspected meat, poultry, and egg processing operations when followed by a potable water rinse. ChemWorld BOOST is silicate-free and will not plug ultrafiltration and micro-filtration membranes under normal use conditions.

PRODUCT PROPERTIES:

Appearance:	Clear orange liquid, odor light orange.
Specific Gravity:	1.04
Silicate Content:	None
Solubility:	Complete
Flash Point:	None
pH (1%):	10.5 - 11.5
Biodegradability:	Detergent portion is 100% biodegradable.
HMIS Rating:	2,0,0

USE INFORMATION:

Concentration:	Heavy soils:	10 to 20% by volume dilution
	Moderate soils:	5 to 10% by volume dilution
	Light soils:	Up to 5% by volume dilution
Temperature:	Warm water accelerates cleaning, 110-160°F is optimal.	

PRECAUTIONS: May cause irritation to the eyes upon contact.

****AVOID CONTACT** FOR INDUSTRIAL & COMMERCIAL USE ONLY!**

STANDARD PACKAGING SIZES: Bulk, 330 + 275 gal, 55 gal, 30 gal, 15 gal, and 5 gal. containers.
OPTIONAL: Private labeling. Bulk container packaging from 1 oz to 5 gallons.
