ChemWorld Rust Neu

**EXTREMELY SAFE and EFFECTIVE NEUTRAL pH RUST and
TARNISH REMOVER plus CLEANER**

ChemWorld Rust Neu is an extremely safe, neutral pH, corrosion and tarnish remover and metal brightener based on safe organic technology. ChemWorld Rust Neu can be used in recirculating spray, soak immersion, ultrasonic, and spray wand applications. ChemWorld Rust Neu is designed to remove metal oxides, tarnish, rust, weld smut, oils, lubricants, and laser slag from ferrous metals. ChemWorld Rust Neu is also used for corrosion removal and dramatic brightening of aluminum, copper, and brass alloys without the use of hazardous acids. pH of the concentrate is a completely neutral: 7.00.

- Completely removes all rust, tarnish, and corrosion at a pH of 7.00
- Completely testable
- Immediately splits all oils to the tanks surface for removal
- Completely bio-degradable
- Will not affect paint finishes (pre-testing is always recommended)
- No white residue after dry-down
- Safest rust removal product on the market

PHYSICAL PROPERTIES

Form	Liquid
Odor	Mild
pH (undiluted)	7.00 +/- 0.05
Specific Gravity	1.15
Color	Water White
Solubility	Complete
Rinsing	Excellent
Foam Potential	Very low
Tank Construction	Stainless, Polymer Lined Carbon Steel, HD Plastic
HMIS Rating	1,0,0
VOC Content:	0.00-pounds per gallon (Determined by EPA METHOD 24)
